New APEAL international section

Dear parents,

The Athénée parent association (APEAL-Parent Committee Athénée) has created a branch exclusively intended for the **international section**.

This group is made out of three parents (see the contact details listed below) representing different international classes.

We have created an e-mail address to facilitate the communication between the APEAL and all parents.

If you would like to receive information or to actively contribute to our thoughts and concerns aiming to improve the international section and thereby assure the best for our children, we would highly appreciate if you could send us your e-mail address to our e-mail address IBparentcommittee@gmail.com.

For further information you can also check our website: www.apeal.lu.

Thank you very much in advance!

The APEAL IB-Parent committee

Paolo BRIGNARDELLO (3I), Claire GEIER (2I), Udo WINKLER (1I)
